Cut the Cake

ASSEMBLY

Cut out all pieces along solid lines.

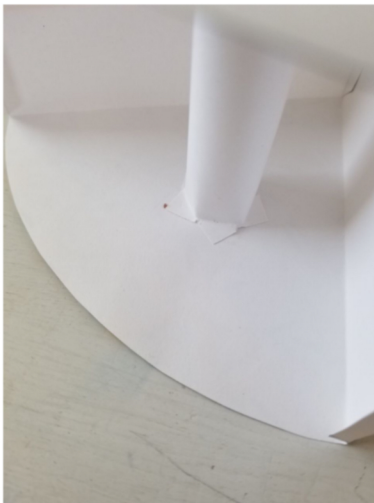

Fold along all sides.

Glue the corner tab and the bottom tabs (leave back panel off). Cut out candle pocket.

Glue candle pocket and fold triangles outward.

Glue triangles to the underside of the candle hole. Ensure pocket is centered and straight, some trimming may be required.

Stuff slice if desired with crumpled newspaper mailers, cotton balls, or the scraps from this project. Glue back panned on first with side tabs and then the triangles. Enjoy!

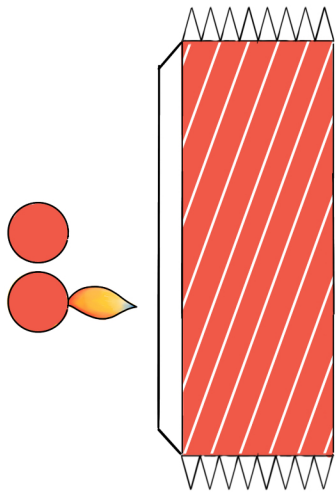

**hot glue is recommended!*

For personal & classroom use only.

Cut the Cake

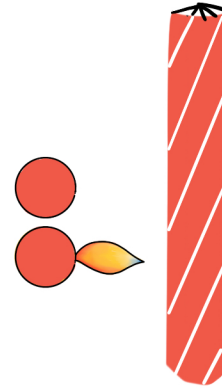

ASSEMBLY

Cut out all pieces along solid lines.

Roll candle until diagonal design meets. Ensure size fits in candle pocket before gluing, adjust as needed. Glue ender edge.

Fold all triangles in towards center of each circle.

Glue top with flame to one end and the bottom circle to the other.

Fold up flame and enjoy!

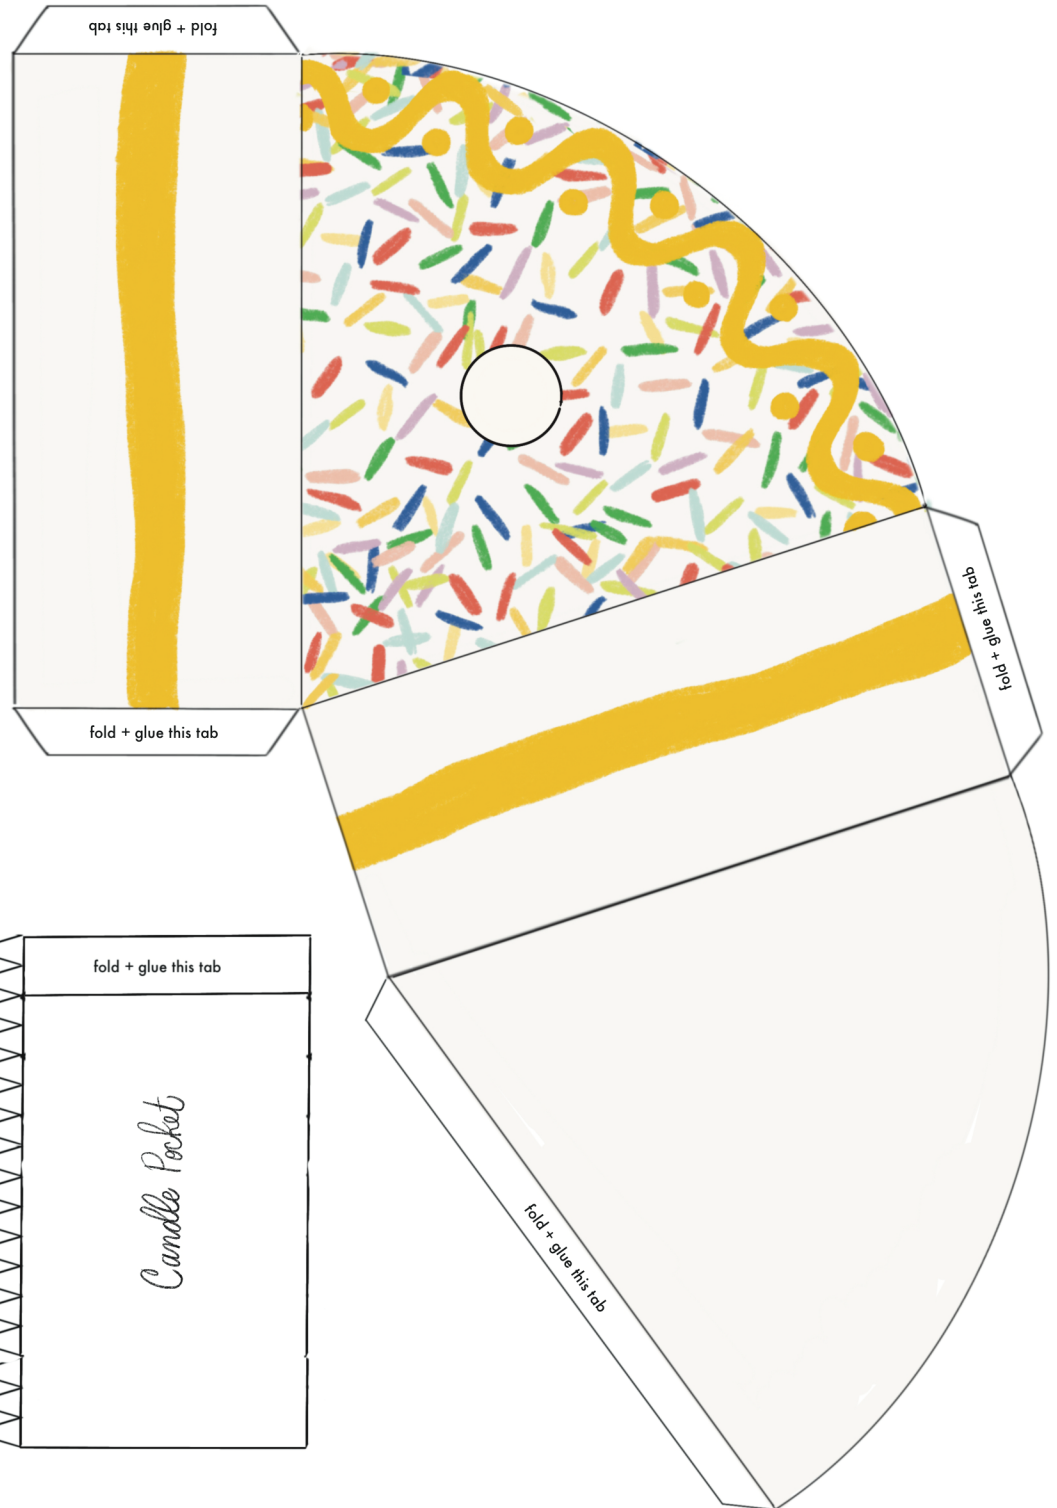

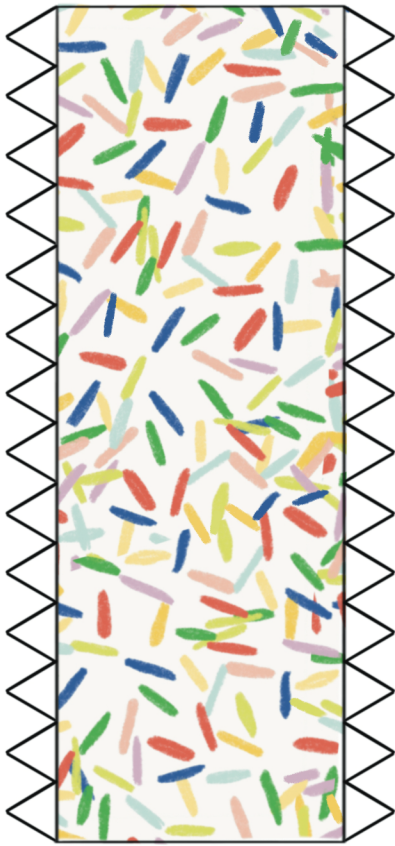

**hot glue is recommended!*

For personal & classroom use only.

Cut the Cake

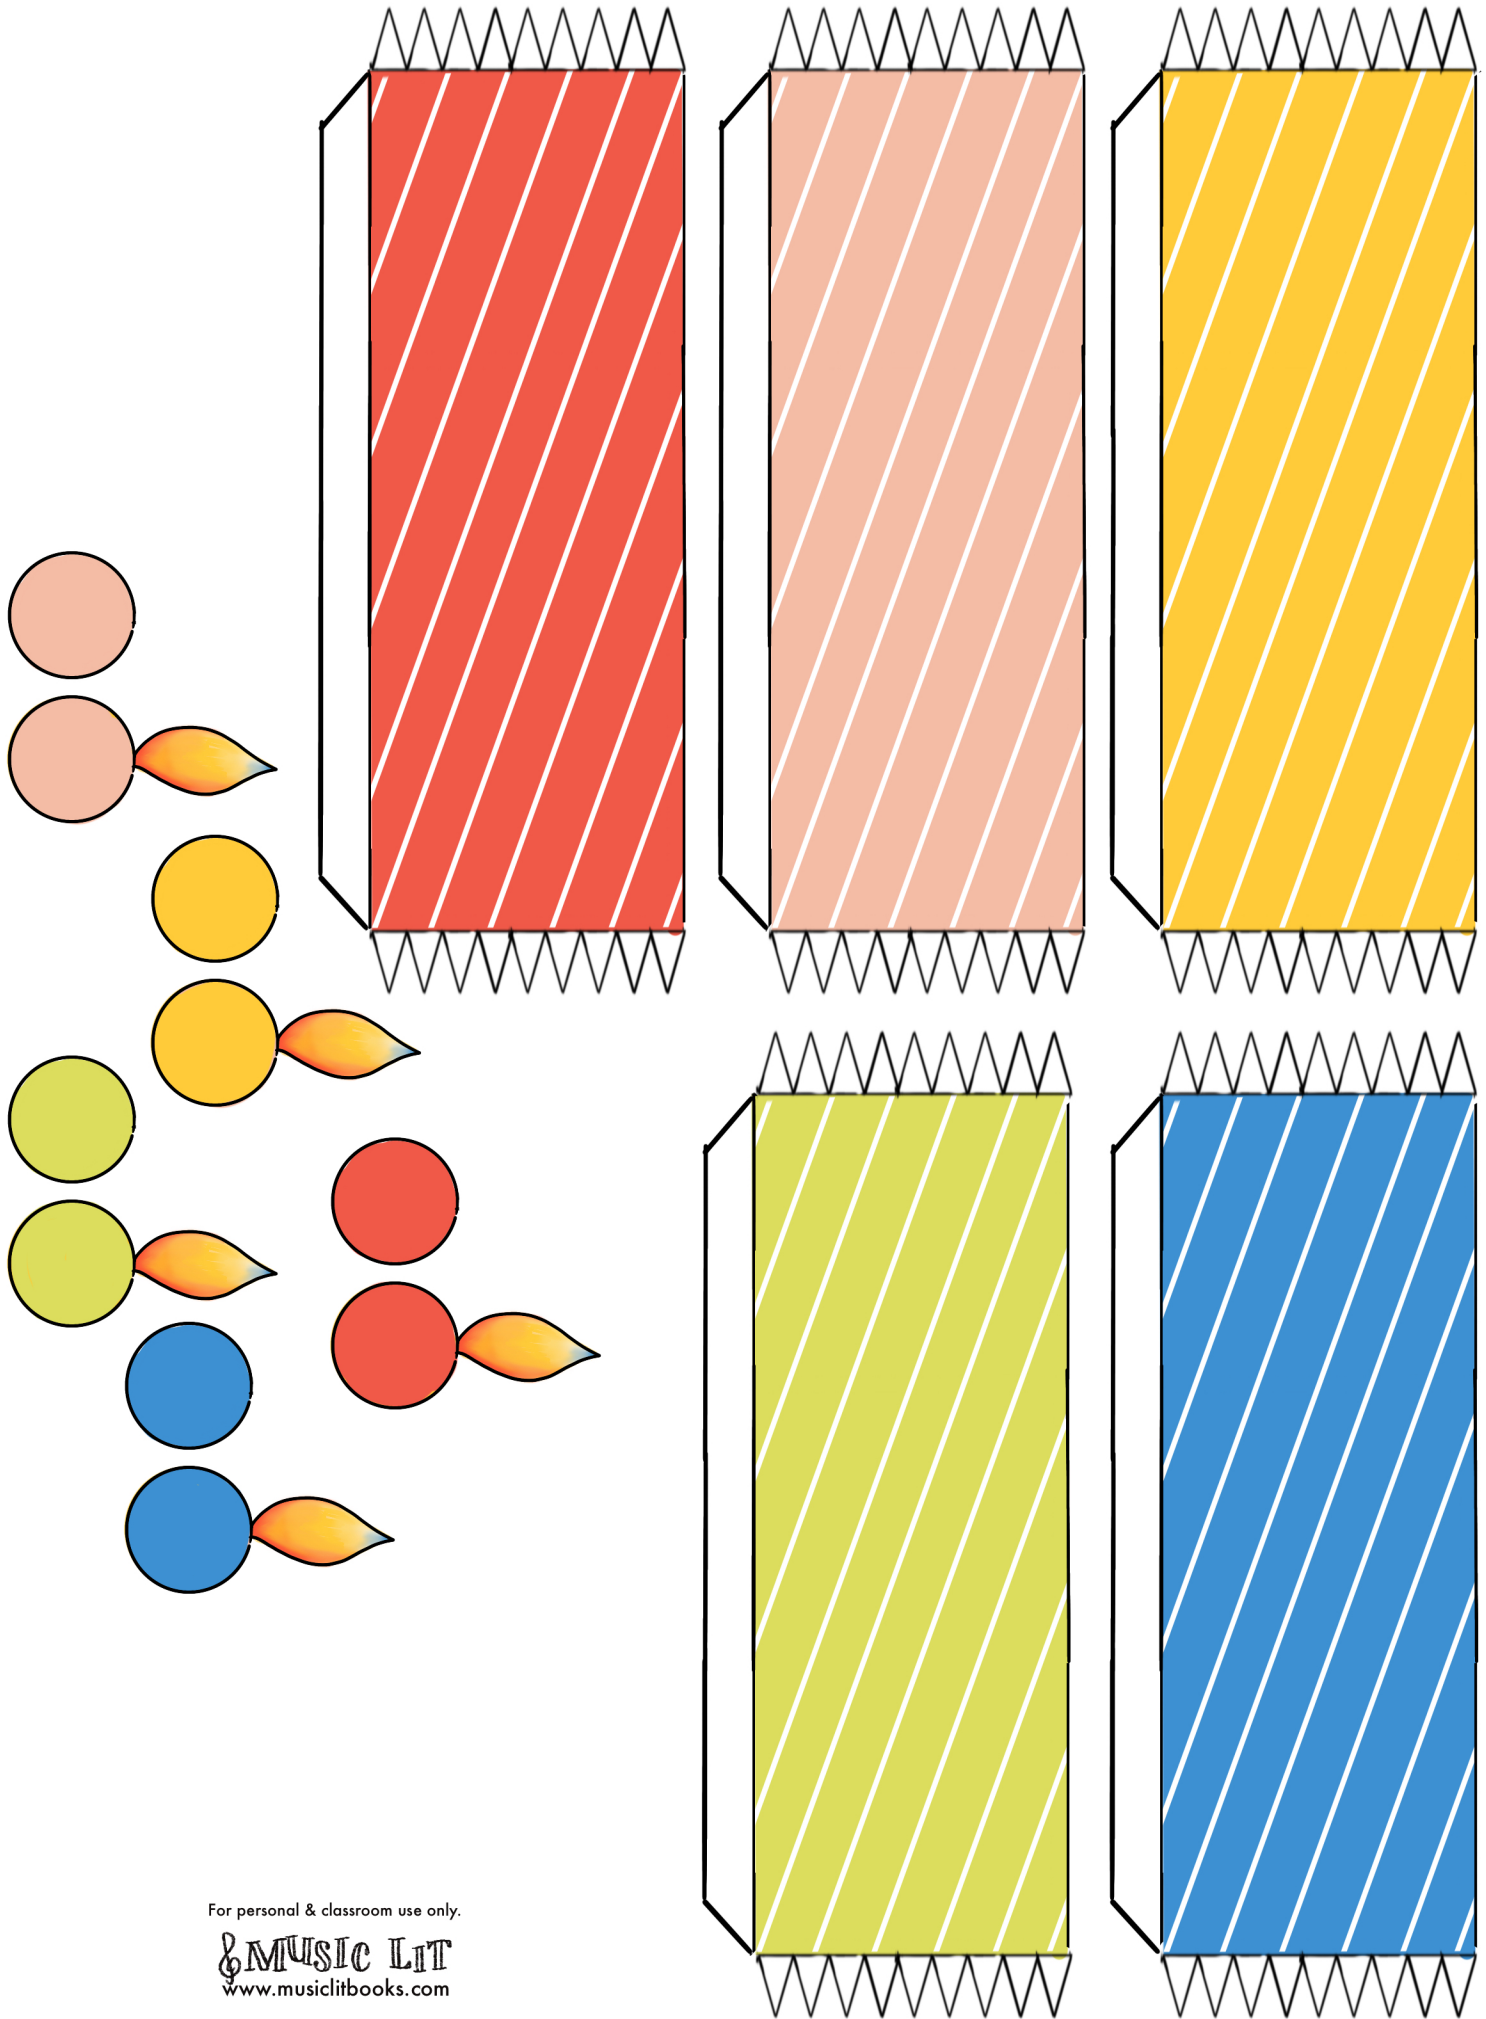

For one slice of cake, just one copy is needed. If you'd like a complete cake, five copies are needed. After printing, assemble the cake and candles by folding and gluing the tabs as shown on the instruction sheets.. Sing the song while "cutting" the cake. Enjoy!
