

# Lavender's Blue

Folk Song

2. I love to dance, dilly dilly,  
I love to sing,  
When I am queen, dilly dilly,  
You'll be my king.

3. Who told you so, dilly dilly?  
Who told you so?  
I told myself, dilly dilly,  
I told myself.

4. Repeat first verse

## Activity

**Suggested activity:** Let's make a lavender wand! Gather a handful of lavender with long stems (11-13 stems). Tie off the bottom of the bunch with a small ribbon or string, leaving one end long so you can use it to weave. Starting at the bottom, pull one stem over the bunch and begin weaving, weave the string in and out of the stems, over the lavender, all the way up the bunch until you are left with a magical (and fragrant!) lavender wand!
