Younger:

Talk about the story happening in the song. Who are the characters? What is the setting? What is the problem? The solution? Act out the story as you sing! Could be as simple as singing while pretending to be fire, dancing and growing until the water gets poured on, or for even more fun, use colorful scarves to show the fire and water! This can be an amazing ELA integration experience!

Older:

This song is a lovely round! Sing first all together, then try adding in the other entrances (as notated).
