

Thread Follows Needle

Lacing Cards

Print, cut, and laminate these cards. After laminating, punch out the black holes and cut 3 lengths of yarn long enough to go around the entire perimeter of each card. Tie one end of each string to the corner of each card. At the other end either fasten a plastic yarn needle or tape the end to keep it from fraying.

Sing the song as you work on "sewing" Johnny's clothes. (Older kids:) Can you match the pace of your stitches with the beat of the song?
