In and out the nee-dle goes, Mo-ther fix-es John-ny's clothes.

Game

1. This game formation begins with a circle and ends with a serpentine line. 2. All hold hands and sing while the chosen child weaves in and out until the end of the song. 3. At the end of the song, he or she chooses the child standing nearest. This nearest child becomes the needle and pulls the former child behind him or her as the thread. 4. This is repeated with each new child becoming the needle and the thread getting longer and longer. The needle is allowed to weave in and out and cross the circle at random. 5. When all have been chosen, the last needle leads the whole group all over the room while they sing the song once more.
